

Front-End Developer

Job Type: Contractual

Work Mode: Work From Home (Remote)

Working Days: Monday to Saturday

Working Hours: 9:00 AM – 6:00 PM

Salary: ₹20,000 – ₹25,000 per month *(Depending on interview performance and experience)*

Interview Platform: Google Meet

Job Overview

We are looking for a motivated and skilled **Front-End Developer** to join our team on a contractual basis. The ideal candidate should have a strong understanding of front-end development, responsive web design, and modern web technologies.

As a Front-End Developer, you will be responsible for developing, maintaining, and improving user-friendly web interfaces while ensuring a smooth and responsive experience across different devices and browsers.

Key Responsibilities

- Develop and maintain responsive, user-friendly web pages and applications.
- Convert UI/UX designs and requirements into functional front-end interfaces.
- Write clean, reusable, well-structured, and maintainable code.
- Ensure websites and applications are responsive across desktop, tablet, and mobile devices.
- Identify and fix front-end bugs, performance issues, and compatibility problems.
- Collaborate with designers, developers, and other team members to deliver projects effectively.
- Optimize websites for speed, usability, accessibility, and performance.
- Test front-end features across different browsers and screen sizes.
- Maintain existing websites and implement updates or improvements when required.
- Stay updated with current front-end development practices and technologies.

Required Skills

- Strong knowledge of **HTML, CSS, and JavaScript**.
- Understanding of responsive web design principles.
- Familiarity with modern front-end frameworks/libraries such as **React, Angular** is preferred.
- Basic understanding of Git and version control.
- Good problem-solving and debugging skills.
- Ability to write clean and organized code.
- Understanding of cross-browser compatibility.

- Good communication and teamwork skills.
- Ability to work independently in a remote environment.

Work Schedule

- **Monday to Saturday**
- **9:00 AM to 6:00 PM**
- **Sunday:** Weekly off
- This is a **Work From Home** contractual position.

Salary

₹20,000 – ₹25,000 per month

The final salary offered will depend on the candidate's **interview performance, technical skills, and relevant experience.**

Interview Requirements

The interview will be conducted online through **Google Meet**.

Candidates must ensure the following during the interview:

- The candidate must be available on a **computer/laptop system** during the interview.
- **Mobile phones are not permitted** for the interview.
- **Screen sharing must remain enabled** during the interview when requested.
- The candidate must keep their **webcam/camera turned on** throughout the interview.
- Candidates should have a stable internet connection and a properly functioning webcam and microphone.
- Candidates should join the Google Meet interview from a quiet and suitable environment.

Who Should Apply?

This opportunity is suitable for candidates who have a strong interest in front-end development and are confident in their technical skills. Candidates should be comfortable working remotely, attending online interviews, and handling front-end development tasks independently.

If you have the required technical skills and are ready to take on a contractual remote opportunity, we encourage you to apply.
